

WHAT IS U3A?

Beginning in France in the mid seventies, the U3A movement has now spread to most countries and has now many hundreds of thousands of members.

U3A is a response to the idea that human life is divided into three periods:- firstly, childhood and schooling; secondly, child rearing and work; and thirdly, retirement.

The Third Age is seen to provide the greatest opportunities for learning and understanding because it is during this period of retirement that the idea of a university as a community of those who seek greater understanding through learning can be put into practice.

The unique characteristics of U3A

- Learning topics are selected by members.
- In-depth courses are planned by members.
- Presenters / Facilitators are often local people or members.
- The company of others who enjoy learning is ensured.
- The atmosphere for learning is informal and friendly.
- There are no examinations.
- There are no compulsory activities.
- Courses take place in daylight hours.
- Costs are kept to a minimum.

U3A Invercargill was formed in 2002

Session 1 Friday April 17

Presenter: Sally Mason FPSNZ

Sally is a popular and enthusiastic tutor who specialises in teaching creative photography throughout New Zealand and overseas. In her workshops, Sally challenges her students to restore and refresh the energy to be found in their photography. She encourages them to discover and rekindle their inner spirit, to know who they are and WHY they are who they are.... And to create deeply significant, personal images that portray themselves. The camera points both ways. She has published several books of her interpretive and artistic photography and verse.

Sally is a Fellow of the Photographic Society of New Zealand and a member of the Society's Honours Board. She has given presentations at several NZ conventions and in 2013 she was invited to give the opening and closing addresses at 2013 APSCON, the Australian Photographic Society's National Convention.

Session 2 Friday April 24

Presenter : Andrew Bayne

Andrew has worked as a professional photographer and has been co-owner of a photography business in Invercargill. He has taught photography at evening classes for many years. More recently he has taught Digital Photography for Southland Education (formerly WEA). In this presentation he will look at the development of photography over the years and then give "10 Tips for Travellers" on holiday photos.

Session 3 Friday May 1

Presenter: Lionel Benjamin

Lionel Benjamin is Deputy Principal at Aurora College and is a passionate photographer with 25 years experience. As well as teaching evening photographic classes for Southland Education he finds time to run Laben Photography, a professional photography business. He has many practical tips and advice to share with us to complete our three week series.
