A Gem of a Life**

Born and raised in Gore I entered the jewellery trade on April Fool's day 1976. Worked for my predecessor until purchasing the store with my wife Miriam in 1983. We have seen lots of change in the time we have had the store and have enjoyed being part of a fascinating, ever changing industry. Joining a large buying group 25 years ago has enabled us to travel to many places around the world all with a jewellery or diamond focus. For the last 18 years travelling to Antwerp Belgium the diamond capital of the world to purchase diamonds for our clients has been a big part of my life and a special niche for our business. With our association with Antwerp it was possible to be part of a small group of likeminded jewellers to be invited to Botswana to visit the diamond mining facilities.
