

U3A Invercargill  
Annual Report 2018 Report

The 2018 series provided another outstanding variety of topics and definitely provided challenges from the facing of our mortality to mistakes and from local history to music and the heavens above. The diversity of topics is superb and it is great to see so much support for each series.

Sincere thanks once again to a wonderful committee who keep our Group ticking along seamlessly. Everyone has a role to play and Michael and I want to sincerely thank each and every committee member who has supported us in our terms as Co-Chairpersons.

Michael and I are now stepping aside from our position. We have enjoyed working as a 'pair'. Thank you to all the members of U3A Invercargill for making our Group as successful as it is. The camaraderie, friendships and knowledge learned can never be underestimated.

Sincere thanks from the both of us.
