## The Regeneration Game

### Whether to Replicate, Replace, Repair or Discard

#### Session 1 Friday February 15

**Presenter:**  
**\*Professor Claire Freeman**

Claire works in the Geography Department at the \*UoO. She has been looking at the role gardens can play in supporting native biodiversity and particularly the changing relationship to nature as people age. She will also touch on the development of Christchurch's post earthquake Red Zone.

#### Session 2 Friday February 22

**Presenter:**  
**\*Associate Prof. Lisa McNeill**

Lisa is Associate Prof. of Marketing at \*UoO. She will discuss one group of young over-consumers, their motivations, self identity and their behaviours towards clothing and fashion products. "Want more – waste more?" Also the social and ethical implications of sustainable consumer behaviour in N.Z. now and in the future.

\*University of Otago

#### Session 3 Friday March 1 Presenter: Clare Hadley CEO Invercargill City Council

Clare took up her position with the ICC on the 19 March 2018 and will share her experiences, so far, here in the deep south. Also what lies ahead for Invercargill in the short to medium term.

#### Session 4 Friday March 8 Presenter: David Clarke Director Lakes District Museum Arrowtown Battle for Arrowtown Heritage v Development

David will discuss the struggles with developers to preserve the historical character of Arrowtown using specific examples from his and others' involvement over the last 40 years and also current issues.

#### Session 5 Friday March 15 Presenter: \*Professor Murray Thomson

Murray is Prof. of Dental Epidemiology and Public Health at \*UoO. He has been researching the oral health of older people for almost 30 years.

#### What do we know from recent research?

Murray will give an overview of findings from his team's work and what these mean for older Kiwis.
